## Pastor's Page

Friends in Christ,

We want to start by saying Thank You. Your giving of time, talents and treasures over the past year to Our Saviour's Lutheran Church makes it abundantly clear how much your partnership in faith with us means to you. In the midst of a chaotic political climate that would polarize our membership, and in the midst of Christian culture that has seen mainline worship attendance drop considerably throughout the United States, we continue to provide a voice of hope and reason for a Christian Faith Community that welcomes all people. We have not only maintained our worship community, we have increased our giving to the community as well through programs such as Faith Family Hospitality, Lutheran Family Service, and other budgeted and unbudgeted gifts that you have provided.

We ask you to continue to partner with us in finding better ways to share a voice of hope through Christ Jesus. A witness to the gospel that proclaims a loving, forgiving God of mercy. In word and action we seek to partner with you in proclaiming that Grace not only in our worship space, but in our surrounding community and beyond. Our mission statement says that we welcome all people to the love of God through worshipping, learning and serving. We encourage you to consider all the ways that you can partner with us in doing just that for the coming year.

On page 15 you will find a card encouraging you to consider discerning your commitment to the ministries of our church for the coming year. Specifically we ask you to prayerfully consider your financial contributions. Together these commitments will allow us to carry on the ministry plan that we have set forth. We know that each of us are in different places in terms of finances. We are aware that some commitments will go up, and that others will go down. Most important to us is that you take time consider our partnership in ministry, that you take time to discover what we are doing as a church together, that you hear how much your contributions here matter.

We would appreciate your returning your cards to church in the box marked "commitment cards" in the Narthex over the next several weeks. If you are uncomfortable sharing details of your commitment you can simply sign a card without sharing any other details.

We seek to make Our Saviour's Lutheran Church a blessing to the entire community. We appreciate your support in making that happen.

Peace in Christ,

*Pastor Michael Stadtmueller and Pastor Leta Behrens*

## SPIRITUAL GROWTH AND DEVELOPMENT

## FORGIVENESS - THAT INCREDIBLE SPIRITUAL GIFT

Healthy, sustainable relationships cannot exist without forgiveness. Forgiveness is the removal of those blockages that interfere with and prevent the exchange of communication, positive feelings and acts of love. Forgiveness extracts the venom from the wound and allows healing to take place.

Forgiveness is a mystery and a miracle and always a gift - a spiritual gift in particular. Inevitably, it is a costly gift, yet is always given freely; without price.

The effect of forgiveness is freedom from the bondage of debt or sin. Our lives are filled with offensive and sinful stuff. In spite of our best attempts to avoid such attitudes and behaviors, we are forever inclined toward evil and drawn to it. That is the way it is! We are caught in its net and cannot by any means extricate ourselves from this predicament.

The only differences among us as a human population on this issue is simply a matter of degree. No one is free from this destructive entanglement. We are forever hurting others or being hurt ourselves. We disappoint and offend each other in countless ways.

Only the bestowing of this gift of forgiveness can heal the wound. That is what Jesus was all about - forgiveness - settling our account with the Holy One, of which Jesus himself was and is an integral part. How all of this happens is both a miracle and a mystery. However it happens, the result is that we who in no way deserve it, are set free and no longer have to carry the burden of our guilt. We are free and to us it comes completely free as a spiritual gift.

Forgiveness is spiritual by definition because it affects our relationship with God. It heals and restores to normalcy a relationship that has been disrupted by our choosing to live separated from God.

As we are forgiven, our relationship with the Holy One is restored and we are in turn enabled to forgive others who offend us. We cannot forgive others on our own volition, but are given the gift ourselves which we then are able to share. So this incredible gift of forgiveness unblocks the entire system. Painful? Yes! Healing? Mercifully!

### **Adult Education on Culture Change Sundays 9:45-10:45AM**

Author, historian and keen cultural observer Phyllis Tickle invites us to join her in examining the changing face of Christianity and culture. Phyllis surveys two thousand years of Western history, identifying the great upheavals that occur in Western Culture and Christianity every 500 years. The last was the Great Reformation of the 1500’s; the next is happening now.

What are the implication of this “Great Emergence,” both culturally and spiritually? What are the key questions and issues that need to be addressed? Where might we be headed next?

Phyllis Tickle is founding editor of the religion department of *Publishers Weekly* and is frequently quoted in

some of today’s most popular print and electronic media as well as on blogs and websites. She is an authority on religion in America and a much sought after lecturer and workshop leader. Tickle is the author of over two dozen books in religion and spirituality.

## Outside Our Walls

A thank you note from Homelessness Prevention Initiative was received thanking those who attended the Community Thanksgiving service for donating \$3811.00 this year. These funds will be used to help families in our community stay in their homes.

Outside Our Walls recently contributed \$200 to help International Health Partners meet a challenge grant to get a container of medical equipment and supplies to the Children's Hospital at Zinga, Tanzania. A thank you note to the congregation was received from Dr. Dennis and Paula Lofstrom of IHP for this generous donation.

Outside Our Walls is always welcoming new members. Our mission is to provide the congregation the avenue to donate supplies and economic support for non-profit organizations of the ELCA, the City of Fort Collins and other organizations here and world wide. We welcome new ideas of organizations for us to help. We meet the first Tuesday of every month except July. We honor everyone's busy lives by limiting our meetings to one hour. Please consider joining this committee.

For December and the first week of January, OSLC congregation donated 109 pounds of food to the Food Bank of Larimer County. Thank you for your continued support and generosity to the Food Bank.

As FFH begins its second full calendar year of operation, we give thanks for the 19 families that we sheltered and fed this past year. By taking away the worry of immediate housing and food, we gave them precious time and resources to focus their energy on achieving self-sufficiency. Thanks be to God for the devoted care of so many at Our Saviour's Lutheran Church.

# Worship, learning & serving in groups...

**Faith-based Caregiver Support Group:** Are you stressed out or overwhelmed with caring for an aging parent, your spouse or friend? Need some support, direction and hope? You are not alone! **Starting on January 20th** let's get together on **Mondays from 12:30 - 1:30pm in the "Faithfulness" room** to support each other by sharing our challenges, tactics and hope. The group will be facilitated by a Stephen Minister who is also a caregiver. No registration necessary. Open to the public. Contact Colleen at (970) 214-2894 for more information or if you desire to meet on a different time or day.

## Feeling Stretched as a Caregiver?

***Powerful Tools for Caregivers*** Is an educational series designed to provide you with the tools you need to take care of yourself.

This program helps family caregivers reduce stress, improve self-confidence, communicate feelings better, balance their lives, increase their ability to make tough decisions and locate helpful resources.

Classes consist of six sessions held once a week. Two experienced Class Leaders conduct the series (many are experienced caregivers themselves, who have successfully applied the techniques they teach). Interactive lessons, discussions and brainstorming will help you take the "tools" you choose and put them into action for your life.

You will receive a book, *The Caregiver Helpbook*, developed specifically for the class. A donation of \$25 to help defray the cost of the book is suggested, but not required to attend the class.

Classes will be held at **OUR SAVIOUR'S LUTHERAN**, 2000 S. Lemay Ave, Ft. Collins from 1:00 - 3:00 pm. Sessions are held every Thursday and **begin FEBRUARY 27TH**. For more information or **to register, call COLLEEN at 970-214-2894, or email Colleen@SrLifeSolutionsLLC.com**. Class size is limited and pre-registration is required.

## **Get a financial check-up and breathe a sigh of relief**

We schedule time for annual checkups for our health and cars, but what about finances? When was the last time you met with your financial professional? If you haven't reviewed your financial strategy recently, it's time for a check-up.

## **Even minor changes can affect your financial health**

Changes in your life, the economy and markets can affect your goals and the path you take to reach them. That's why it's important to review your financial strategy at least once a year so you can stay on track with your goals.

A financial check-up gives you and your financial professional the opportunity to look at where you are now, where you want to go and how you can get there. If you find some adjustments are needed, you can discuss options to help you stay financially healthy.
