## WALK IN WELCOME WITH THOSE NEW TO OUR COMMUNITY - BE A SPONSOR!

We invite you to join the intentional welcome of this community

and be a sponsor for someone new!

Sponsorship is fun and simple--be willing to meet new people, be intentional about making contact regularly (phone, email, text, telegram--it's up to you!) We will connect with you and provide you the information and tools you need. For our next Welcoming class specifically we are in need of people who can come to the brunch on April 29th at 11:30 to meet your person/family and then to come to the worship service on May 6 at 10:30am to help welcome and bless them into OSLC. Please contact Peg Hoover, Welcome Team Chair, or one of the Pastors ([leta@our-saviours.org](mailto:leta@our-saviours.org) or [michael@our-saviours.org](mailto:michael@our-saviours.org)) or the church office ([office@our-saviours.org](mailto:office@our-saviours.org) 970-484-3133) to let us know you are interested. If you cannot sponsor this time, we are happy to take your name for the future!

You are invited to attend the Wartburg Wind Ensemble Tour at Trinity Lutheran Church (301 E. Stuart Street) on April 22 at 2 pm. Poudre High School students including OSLC youth will be playing with them.

## **SPIRITUAL MUSINGS BOOK**

A book signing for Pastor Fred Castor's new book, *Spiritual Musings*, will take place after each of the services on the weekend of April 21st & 22nd. Books will be available for \$9.95

## **CONGREGATIONAL MEETING**

Over the past few months, your council members have been working to update Our Saviour's Constitution and Bylaws. Most of the updates to the Constitution are ones made by the 2016 Churchwide Assembly to the Model Constitution for Congregations. The Model Constitution is consistent with the requirements of the governing documents of the ELCA's churchwide organization and synods, and it provides organizational flexibility to recognize the context of local congregations.

With the local flexibility allowed in chapters 10-14, there are a few modifications the OSLC council is proposing. These local changes allow the council to adapt to more modern means of technology for meeting and communication purposes & make small financial decisions within specific parameters.

Council has also reviewed our existing Bylaws and is recommending various changes to update them.

In order to modify and amend our existing Constitution and Bylaws, we need your support in the form of a vote. We will hold a Congregation Meeting on Sunday April 29th between services at 9:00 am in the Sanctuary. This meeting will be held to ratify the proposed changes. We will need a quorum of members, so please plan to attend this short but important meeting.

There are full versions of the proposed changes available in the church office and on the Our Saviour's web page <https://www.our-saviours.org>  
Please review these documents at your convenience.

## **LUTHERAN COLLEGE SCHOLARSHIPS**

Attention parents: if your son or daughter will attend a Lutheran College in the fall of this year, and you're interested in obtaining scholarship money to help with tuition, please contact Ann Story (ann@our-saviours.org) in the OSLC Finance Office no later than April 30, 2018.

### Building Program Headline News

#### Phase 1 Construction Progresses on the Administration Wing

Construction continues with great progress on the expansion of the administrative offices on the east side. The roof is up, windows are going in, and the external stucco and brick work is done. Electrical is roughed in, the fire safety system is installed, and a volunteer team installed low voltage wiring for internet and phone. The old patio has been excavated in advance of music room construction and major utility work. The design of the playground is being finalized, along with the design and vendor selection for the new more open sanctuary doors. Interior design materials choices have been made. Check out the display board in the Fellowship Hall with samples of the interior materials.

We ask for your flexibility during the building renovation and expansion, which will continue for most of this year.

Please park on the SOUTH or EAST side of the parking lot (furthest away from building) if you are meeting here during the day. We will have very limited parking available on the North side and are keeping that clear for Preschool Pick-up and Drop-Off.

If you are trying to access the Sanctuary, Narthex, Fellowship Hall, Music Room, or 12/13E: please use the Southeast Entrance by the current Church Office.

If you are trying to access Preschool, 3W, 4W, 5W or 7N: Please use the North Entrance (across from the playground).

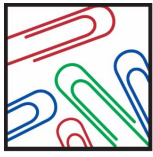

We ask that you please abide by ALL posted signs and instructions for safety purposes.
