Stephen Ministers to be commissioned Sunday, June 3

Stephen Ministry, Christian lay caring ministry for those in need is a vital part of our congregation's mission. This coming Sunday, June 3rd, four Stephen Ministers will be commissioned for caring Christian ministry at the 10:30 service. The Stephen Ministers who will be commissioned are: Priscilla Golz, Anita Hildebrand, Donna Lopez and Melody Mistr. As we commission these new Stephen Ministers, let us celebrate the completion of their training and thank God for their generous response to His call, keeping the success of their ministry always in our prayers.

BUILDING UPDATES

Capital Campaign Update

Total received as of May 22: \$1,100,050.93

Total pledged over three years: \$1,635,322

Building Program Headline News

Phase 1 Construction Complete, On To Phase 2!

Phase 1 of our building expansion and remodeling has been completed, including the expanded administrative offices with a conference room, work room, open office space, reception area, the new community entrance on the east side, new bathrooms with showers, a new utility room, expanded central storage, new preschool storage space, and a remodeled and enlarged kitchen.

Hillside Construction and their crews worked feverishly to put the finishing touches on Phase 1 to enable moving day on May 17. Thanks to the efforts of many, the move was done in time for the May 20 Open House celebration, and the kitchen and new offices are open for business.

On the west side, the shape of the new music room and the expanded narthex is clearly visible with the construction of the foundation. Phase 2 has now begun, with the expansion of the narthex and nursery, the build out of the music room, the re-building of the central bathrooms, and the flexible opening of the sanctuary to the narthex. Existing walls will soon be coming down for Phase 2 construction.

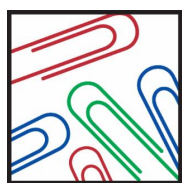

We ask for your flexibility during the building renovation and expansion, which will continue for most of this year.

Please abide by ALL posted signs and instructions for safety purposes, and **direct any questions to our Building Committee**, through the church office.
