ChildSafe – ChildSafe is a local nonprofit that provides therapy for child abuse victims, particularly victims of child sexual abuse. Its mission is to repair the damage caused by sexual abuse, reduce the risk of re-victimization and prevent the cycle of abuse from carrying over into future generations.

Coats & Boots – The NORTH Fort Collins Business Association, in conjunction with JAX Outdoor Gear, purchases high-quality coats and boots to distribute to children impacted by poverty in our community. Coats & Boots started with helping 60 kids at one school and now, 10 years later, helps 22 elementary schools and 900 kids.

Super Hero Underwear – This program delivers brand new underwear and socks to 12 different groups, including Poudre School District, Respite Care, Salvation Army and Project Self-Sufficiency.

Project Smile – This program provides treatment to children who are in need of dental and vision care. More than 6,000 students have received dental screenings and nearly 4,000 have received vision screenings.

SUMMERFEST

LEARNING

WOMEN & JUSTICE

Something to ponder: While many men in the Bible are named, we are only told the names of 49 women.

The ELCA is committed to the full and equitable participation of **all** people in church and society. Yet there is a systemic sin of sexism leading to oppression and marginalization of women in the world. The ELCA is working towards a churchwide policy on this issue and we have an opportunity to be a voice in this movement for understanding and progress.

You are invited to join a special summer session: The Study and Discussion of the Draft Social Statement on Women and Justice; Thursday mornings beginning at 9:30 a.m. Comments on the Social Statement will be gathered and sent on to the ELCA after our session.

July 19, Week 1: **Why do words and images for God matter?**

July 26, Week 2: **How do we challenge the misuse of Scripture against women and girls?**

August 2, Week 3: **Part 1 of Draft Social Statement Discussion of Convictions 1-19**

August 9, Week 4: **Part 2 of Draft Social Statement Discussion of Convictions 19-36**

A fall evening session will begin later in August/September-stay tuned!

SERVICE & GIVING

ONE VILLAGE ONE FAMILY COMPLETE!

Huge thanks to our OSLC members, who are so generous with their time and talents as well as their material resources! In addition to a major contribution from a single donor--Robin Ferree, Becky Hunget, and Martha Diedrichsen have agreed to serve as our fourth OVOF Village. One or two more volunteers, from outside the church, may yet join them. They will undertake their training ASAP and will appreciate your prayers and your moral support over the next six-seven months.

Because rents are rising rapidly, we could also use a few more dollars for this homeless mother and children to use for apartment application fees, security deposit, and first month's rent. Homeward Alliance (the new name for Homeless Gear) requires \$1,500 be on hand for each Village, and we currently have \$1,650, but our most recent OSLC Village found that \$2,000 would be more realistic these days. Any help at all would be much appreciated.

God bless you all for your support of this homeless family!

FAITH FAMILY HOSPITALITY

Please join us to celebrate and thank all of you amazing FFH volunteers, on Thursday evening, June 14, from 6-8 pm (dinner will be served), at Spring Creek Gardens. If you have any questions please call Jodi Loecke (970)371-5345.

ONE VILLAGE ONE FAMILY GIFTING

Our gifting program has provided kitchen items for
8 families in 2018.

Thank you to everyone who has donated items to keep our supply closets stocked.

**Our current need is for
cooking spoons and spatulas and baking spatulas**

The Dollar Store has good ones. Gently used spatulas are also welcome.

(Want to help, but don't like to shop? Donations gladly accepted in the office.)

BUILDING UPDATES

Capital Campaign Update

Total received as of June 11: 1,142,010.86

Total pledged over three years: \$1,635,322

Building Program Headline News

Phase 2 Construction In Progress

With the completion of the expanded administration office wing and larger remodeled kitchen, Phase 2 of our building program has begun. As the narthex and nursery are expanded, a new music room is built, and the main bathrooms are expanded and remodeled, there will be significant disruption to our building this summer, as noted in the Building Use Update. The old main offices will be demolished to make way for the expanded narthex and nursery.

We ask for your flexibility during the building renovation and expansion, which will continue for most of this year.

Please abide by ALL posted signs and instructions for safety purposes, and direct **any questions to our Building Committee**, through the church office.
