This will also help FoCoLu High School Youth Ministry have two deep leadership. All sponsors must pass a background check and be recommended by a pastor or staff person. Training will be provided to all volunteers. The time commitment will be based on availability. ## **OSLC LIBRARY - NEW ADDITIONS & REVIEWS**

**Grounded: Finding God in the World-  
A Spiritual Revolution**  
by Diana Butler Bass

The headlines are clear: religion is on the decline in America as many people leave behind traditional religious practices. Diana Butler Bass, leading commentator on religion, politics, and culture, follows up her acclaimed book *Christianity After Religion* by arguing that what appears to be a decline actually signals a major transformation in how people understand and experience God. The distant God of conventional religion has given way to a more intimate sense of the sacred that is with us in the world. This shift, from a vertical understanding of God to a God found on the horizons of nature and human community, is at the heart of a spiritual revolution that surrounds us-and that is challenging not only religious institutions but political and social ones as well.

Bass brings her understanding of the latest research and studies and her deep knowledge of history and theology to *Grounded*. She cites news, trends, data, and pop culture, weaves in spiritual texts and ancient traditions, and pulls it all together through stories of her own and others' spiritual journeys. *Grounded* observes and reports a radical change in the way many people understand God and how they practice faith. In doing so, Bass invites readers to join this emerging spiritual revolution, find a revitalized expression of faith, and change the world.

## **FOCOLU HABITAT**

**Volunteering for FOCOLU-Habitat Build Days.** Our Saviour's is working with our FOCOLU partners to provide 16-20 volunteers one day each month. Sharing in this commitment with other churches means that each church is responsible for only 4-5 volunteers at a time. Instead of sending pleas for volunteers to the entire congregation, we are now simply alerting those who have expressed an interest in helping, if they are available on a build day. Therefore, if you would like to know about build day opportunities as they arise, please let Jerry Freier know ([freierreed@msn.com](mailto:freierreed@msn.com), 970-482-6163, or in person) and you will be added to the notifications list. As a reminder, you do not need special skills to help on a build day. All tools are provided by Habitat and every effort is made to make sure you have an

enjoyable experience. Also, lunch will be provided so you will have time to socialize with other volunteers.

**Volunteers needed to help with the FOCOLU-Habitat lunch on Saturday, October 27.** Our Saviour's is the FOCOLU-Habitat partner responsible for preparing and serving lunch to build day volunteers on October 27. OSLC only provides lunch twice a year with each FOCOLU-Habitat partner being responsible for other months. While the cost of food and supplies is covered through special funding, we do need 3-4 volunteers to plan the menu, prepare luncheon items, and serve the food at the Harmony Cottages build site. Please let Jerry Freier know if you can help with this important activity.

**Job Opportunity with Habitat.** Fort Collins Habitat for Humanity is hiring a part-time Construction Crew Leader. This person will be someone with lots of home construction experience, is great leading/teaching volunteers, and can work part-time. If interested, visit <https://fortcollinshabitat.org/careers/>.

## FLEA MARKET

**Yes, we will be having the flea market this year, so save your goodies.**

**We cannot take clothes, tvs, electronics, large furniture, or cleaning supplies.**

**Questions? Call:**

**Karen Wulff 215-5083**

**Sandy Flockhart 484-9075**

## FAITH FAMILY HOSPITALITY

**faith family hospitality**

... supporting families from homelessness to self-sufficiency

Faith Family Hospitality will have two overnight program trainings this month on Sunday, October 14, at Emmaus Road from 1-2:30 pm and Monday, October 15 at Southgate Church from 7-8:30 pm. Please join us if you have not yet been able to do so, or if you would like more information about FFH in general.

The City of Fort Collins has approved the lease for the Sherwood Bridge House, which will extend services FFH currently provides, and will house families taking longer to attain

permanent housing. Tours are available on Tuesdays between 2-4 pm at 321 South Sherwood near Old Town.

Though we are on a year-long break from serving families due to construction, you can still get involved by getting on the Back Up Volunteer List. This list is used when volunteer positions cannot be filled at any one of the 31 churches who help participate in this program.

Please call Jodi Loecke if you have any questions at (970)371-5345.
