The Radium Girls: The Dark Story of America's Shining Women

by Kate Moore

OSLC Location: Fic/Moo

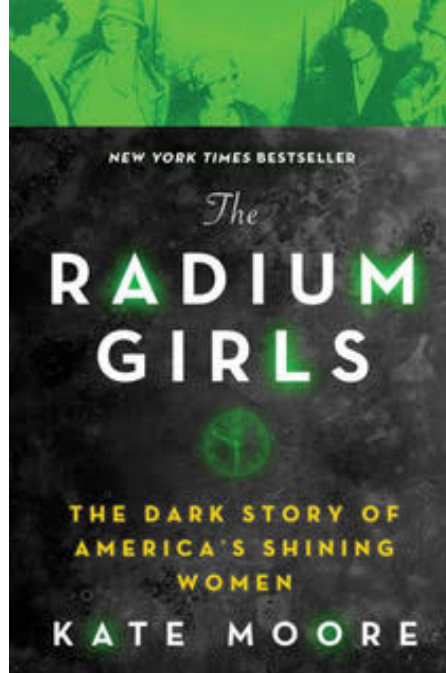

The Curies' newly discovered element of radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright in the otherwise dark years of the First World War.

Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these "shining girls" are the luckiest alive — until they begin to fall mysteriously ill.

But the factories that once offered golden opportunities are now ignoring all claims of the gruesome side effects, and the women's cries of corruption. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come.

MISSING WHEELCHAIR

We are missing our wheelchair. If you have it, if you could please return it to the office that would be very much appreciated.

HELP WITH WORSHIP

Your church needs your help! We rely on many volunteers at each worship service to have everything go smoothly. It is very helpful to have folks sign up beforehand. This frees up the pastors to be able to prepare for giving *excellent* sermons and children's messages! If you would like to greet, usher, worship assist or make coffee please sign up at:

<https://www.signupgenius.com/go/409094ba8ab2daa8-fall>

If you need more information on any of these tasks, please just ask staff and we can help!

Thank you in advance for helping to make worship meaningful and welcoming for all.

HABITAT BUILD DAYS

FOCOLU-Habitat crew on Thursday, April 25, getting ready to work on the homes being built for Iman and Natasha, which OSLC and our FOCOLU partners are helping to support. Please consider helping OSLC/FOCOLU continue to build these homes on May 18 and June 15.

OSLC volunteers needed for Habitat build days this spring. We will be joining our FOCOLU partners to build homes at Habitat's Harmony Cottages on **Saturday, May 18 and Saturday, June 15. EIGHT volunteers from OSLC will be needed to participate on each build day.** Other FOCOLU churches will be providing additional volunteers to complete our build day crew. Thus far, only one person from OSLC has volunteered. Therefore, if you can help with one or more (hopefully all) build dates, please let Jerry know as soon as you can. With six or more houses under various stages of construction, there will be something for everyone to do from framing to painting and all types of building activities in between. A delicious mid-day lunch will be provided by a culinary crew from each FOCOLU partner. If you can to join the FOCOLU build team on any or all of these build dates, please contact Jerry Freier (freierreed@msn.com; 970-482-6163).

Our Saviour's support of new Habitat homes

This year Our Saviour's is partnering with other FOCOLU churches, Plymouth Congregational Church, others in the faith or traditions communities in Fort Collins, along with Thrivent Financial, to build homes for two families in need of secure, affordable housing. These families were chosen through Habitat's selection process to become future home buyers, once their houses are completed. The two families

selected for the 2019 Faith Builds are: Iman and her family; and, Natasha and her daughter. To learn more about these amazing people and their families, please see the following links to information and videos about each of them.
