Assignment Two: Do 5 devotion check ins:

These are 5 of Martin Luther's favorite verses in Scripture.

Each Day start by Sharing highs/lowes and God Sightings for the day. Write them down or remember them for prayer time.

Day 1: Romans 1:17

The famous reformer Martin Luther identified this verse as one of the key inspirations for his work. Luther saw in it (and in other verses, like [Habbakuk 2:4](#)) a powerful reminder that it is through faith in God's grace, and not through good works, that humans are justified before God.

Reflect What does this verse say to you?

Day 2: Ephesians 2:8

Another verse that emphasizes salvation as a gift of grace, not something we've earned through our own merit—a key belief of the reformers.

Day 3: 1 Peter 2:5

One of the most provocative and controversial beliefs of the reformers was that because *every Christian* is considered part of the “priesthood.” there was no Scriptural basis for the office of priesthood as the Roman Catholic and Eastern Orthodox churches understood it. This remains a key distinction between these branches of Christianity to this day.

Day 4: 2 Timothy 3:16

“Sola scriptura”—the belief that the Bible contains *everything* we need to know in order to be reconciled to God and live righteously—was important to the reformers.

Day 5: Matthew 11:29-30

The Protestant reformers believed that centuries of church tradition had placed a heavy burden on the backs of believers, and pointing to verses like this one, they reminded Christians that the gospel of Christ is meant to *free* people from guilt and sin.
