

Rep.

U.S. House of Representatives Washington, DC 20515

Dear Representative,

I urge you to protect and strengthen nutrition programs that help children reach their full potential.

Specifically, I ask you to:

- Fully fund and strengthen the domestic Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) so that more eligible families in the U.S. are able to enroll and stay enrolled.
- Oppose any legislation that would weaken SNAP (food stamps) which provides reliable, responsive, temporary assistance for tens of millions of people facing hard times.
Specifically delay the SNAP overhaul which Republicans proposed last year.
- Protect, restore, and secure robust funding for global nutrition programs, so that we can reach millions of children with lifesaving assistance.

The Bible tells us we honor God when we love our neighbors, especially the most vulnerable among us.

Again, I urge you to fully fund and strengthen WIC, support SNAP and secure robust funding for global child nutrition programs

Sincerely,
